

Pura Clean UF

Chlorine Taste & Odor Filter

Pura Clean UF takes out bad taste and smell by reducing chlorine in your water. Water that's fresher, tastes great, and protects your home at every tap. The system uses replaceable carbon, which means higher ongoing costs over time. It's a great choice if you're looking for an affordable way to enjoy fresher water now, with the flexibility to upgrade later.

Simple & Affordable

No electricity or drain required. Perfect for homes without power or a drain hookup nearby.

Low Maintenance

No electronics, no programming – just install and enjoy.

Proven Performance

Independently tested and certified for chlorine reduction.

Fresh, clean taste

No more chlorine flavor or smell.

Kinder to skin and hair

Say goodbye to dryness and irritation.

Protects your softener

Helps your system last longer.

Gentler on plumbing

Fewer leaks and less wear on appliances.

**97% CHLORINE REMOVAL
FOR OVER
1,100,000 GALLONS***

Based on Pura Clean UF 1.5

If you are not **100% satisfied** with your purchase within the first 30 days, we will remove the system and refund your money.

Pura Clean UF

Water Temperature	Min 39 - Max. 100° F		
Water Pressure	Min. 20 - Max. 125 psi		

The lifespan of the carbon media bed in these units will be shorter compared to a backwashing carbon filter.
The actual media bed life will vary depending on water consumption, chlorine/chloramines concentration and flow rate.
Exceeding the peak flow rate listed above will drastically reduce the life expectancy of the carbon media.

DIMENSIONS	Pura Clean UF 1.0	Pura Clean UF 1.5
A x B (Inches)	52" x 9"	58" x 10"

“I bought my Pura water softener and water filter over a year ago and I am more than pleased. Performance and customer service have been superb. I had researched other companies before deciding to go with Pura. I’m so glad I made the best choice – I highly recommend!”
